Application No. 09/871,920

ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received at the Board of Patent Appeals and Interferences on October 21, 2006. A review of the application has revealed that the application is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the examiner. The matter requiring attention prior to docketing is identified below.

On September 1, 2006, appellants filed an Information Disclosure Statement (IDS). It is not clear from the record whether the examiner fully considered the IDS submitted or whether the examiner notified appellants of why the submission did not meet the criteria set forth in 37 CFR §§ 1.97 and 1.98.

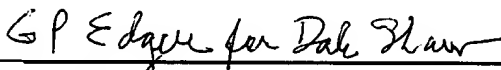

Application No. 09/871,920

Accordingly, it is

ORDERED that this application be returned to the examiner to: 1) consider the Information Disclosure Statement filed September 1, 2006; 2) provide appropriate written notification by the examiner to appellants of such consideration; and 3) for such further action as may be appropriate.
